Environmental Services

Water and Sewer

Water and Sewer Operations

Mission

To provide safe, reliable, high quality water and wastewater utility services that meet all regulatory standards and provide maximum customer service.

Business Strategy

The Water and Sewer Division is responsible for the treatment and distribution of potable water and for the collection, treatment and disposal of wastewater in unincorporated areas of Seminole County. This is achieved in compliance with all federal, State and local regulations. The Division efficiently operates and maintains nine water treatment plants, two wastewater treatment plants, two reclaimed water distribution systems, and associated collection and distribution infrastructure.

Objectives

Strategically plan for water source and supply needs for all of Seminole County in cooperation with the St. John's River Water Management District, municipalities, and adjacent counties.

Provide proper water and wastewater treatment for unincorporated Seminole County and wholesale municipal customers in compliance with existing Federal, State and local regulations for water treatment and distribution, and wastewater collection, treatment and disposal.

Maintain and improve the current level of service for water and sewer customers through a comprehensive Capital Improvements Program and an aggressive operations and maintenance program, while continuing to cross-train and educate all employees to provide a responsive and effective work force.

Performance Measures	FY 00/01 Actual	FY 01/02 Estimated	FY 02/03 Goal
Water Facilities Team			
Gallons produced monthly (MG = Million Gallons)	570MG	575 MG	580 MG
Chemical cost per MG treated	\$116.00	\$116.00	\$118.00
Greenwood Waste Water Treatment Facility			• • • • • • • • • • • • • • • • • • • •
Gallons treated monthly	64.0 MG	65.0 MG	66.0 MG
Chemical cost per MG treated	\$550.00	\$550.00	\$575.00
Quality Control Team		\$335.00	Ψ37 3.00
Wastewater samples collected monthly	420	420	420
Cost per MG treated	\$23.00		
	\$23.00	\$24.00	\$25.00
